

**ALWAYS BE SEEN FROM THE
FURTHEST DISTANCE POSSIBLE**

YOUR SCHOOL BUS WITH  FIRST LIGHT SAFETY PRODUCTS

YOUR SCHOOL BUS NOW

Conveys to oncoming motorists the importance of the cargo your school bus is carrying. First Light's Illuminated School Bus Signs are large visual warning lights that replace the SCHOOL BUS decals and back-lit signs.

Proven to make your school bus safer
Readable beyond 300 feet

Easily mounted to the exterior of your bus
Always on when your bus is running
Illuminated and Retroreflective
Custom sign shapes to fit different bus models

**THE ONLY STOP ARM THAT
ALWAYS LOOKS LIKE A STOP SIGN**

YOUR SCHOOL BUS NOW

YOUR STOP ARM WITH  FIRST LIGHT SAFETY PRODUCTS

Delivers maximum visibility of your stopped school bus when recognizing it is needed the most: in dark conditions, poorly lit roads, fog, rain, and snow. First Light's Fully Illuminated Stop Arm is by far the brightest, most noticeable stop arm in the world.

Proven to reduce stop arm violations by at least 50% over all other stop arms
Available in electric and air drive systems
Readable beyond 300 feet
Plug and play to other stop arms
Illuminated and Retroreflective
